CONFERENCE CONTINUING EDUCATION CREDITS

Physician and Physician Assistant: 14.0 CMEs

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of UMass Chan Medical School Office of Continuing Medical Education and Healthcare Professionals for Divine Mercy. The UMass Chan Medical School Office of Continuing Medical Education is accredited by the ACCME to provide continuing medical education for physicians.

The UMass Chan Medical School Office of Continuing Medical Education designates this live for a maximum of 14 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Nursing: 16.8 CEUs

This offering meets the requirements for 16.8 contact hours for nurses as specified by the Massachusetts Board of Registration in Nursing (244-CMR 5.04). Each nurse should claim only those hours of credit that he/she actually spent in the educational activity. 10 CEUs with book: *Nursing With the Hands of Jesus: A Guide to Nurses for Divine Mercy* — order from Marians (413) 298-1399.

Social Work & National Association of Catholic Chaplains: 14.0 CEUs NASW Social Worker & National Assn of Catholic Chaplains CEUs available. Social work continuing education credits: NASW Authorization #D 80601-1 and #D 80601-2.

GOALS ASSESSMENT:

As a result of attending this educational activity, each participant will be able to identify the elements of bioethical principles and apply them to patient care. Participants will not only enhance their own knowledge of bioethics, but also offer patients and their families comprehensive bioethical information. This information will facilitate in making difficult or major life-changing decisions, thus, offering peace of mind to the physician, patient, and family alike.

LEARNING OBJECTIVES:

1. Identify specific medical situations and assess them in the light of bioethical principles.
2. Be able to convey to patients and their families bioethical guidelines surrounding end of life issues such as: withdrawal of medical care, food, nutrition and hydration, artificial ventilation.
3. Deepen the understanding of the role that spirituality plays in the well-being of the medical professional as well as its healing effect on the patient. Recommended readings for conference preparation: Ethical and Religious Directives for Catholic Healthcare Services.
